Additional Information					
Application:	When you apply for a Yourhub High Speed Broadband services, you should be aware of certain obligations and conditions once the order form is received by Yourhub. Firstly, please be aware that when you sign the subscription form you are signing to say that you accept and agree to be bound by the Yourhub Terms & Conditions.				
Customer Details:	Please complete all information contained in Section 1. This information will be used for the purposes of supplying you with the service, to administer your account with us and if necessary, to transfer you from your existing supplier. For your security and privacy, it is important that you provide all the information we request. We will use it to verify your identity when dealing with you over the phone. The requested information for registered businesses includes your Australian Business Number (ABN), and for individuals includes your date of birth and (if applicable) Driver's License Number. Your mobile number may also be used to alert you of your order status via SMS				
Connection:	A connection / installation charge as outlined above applies to all internet and or voice services.				
Installation:	Where installations are required the above charges outlined include the first hour of labour only. Any additional time required will be charged at \$60.00per ½ hr where applicable. If you have an existing internet connection with an existing carrier there is no service interruption.				
Contract:	There is no contract period with standalone Yourhub Fixed Wireless Broadband and is a pre-paid service. Voice / Phone services are subject to a minimum 12 month contract, A full calendar month written notice is required for cancellation after expiry of the contract period. Cancellation prior to the end of the contract period will incur a cancellation fee of \$120.00 per service.				
* Roaming:	Indicates that you can access Yourhub wireless internet service at any Yourhub Hotspot location using your allocated username and password (see location map at www.yourhub.com.au). Use your internet connection away from home 24/7. Unused time and or data are not accumulative and will be lost at the end of each month.				
²Download Limits:	Your Yourhub High Speed Broadband service is limited by the data amount allocated to your chosen package each month. If you exceed it early you can add credit to your account and recharge it by choosing any package available at the listed \$ value. Once you recharge your account your month starts again from the date of recharge.				
Recharging:	If the data amount is exceeded prior to a full month you may recharge your account at any time with any available Yourhub High Speed Broadband package available. You do not have to remain on any one package and if you are on vacation you may also skip a month while you're away and resume by adding credit to purchase your chosen package when you return. You may recharge your account at www.yourhub.com.au				
Voucher Recharge:	Add credit to your account by purchasing a prepaid voucher at any participating location. The face \$ value of the voucher is added to your account when you enter the voucher code at www.yourhub.com.au . This service is available for those that do not use credit cards and do not like to use online financial transactions.				
¹Voice / Phone:	Yourhub Voice over Internet Protocol service (VoIP) and is not part of the ageing POTs telephone system. For an additional \$9.95 per month include Nettalk Phone with your high speed broadband. Turn off your existing analogue telephone service and stop paying line rental and excessive call charges. Voice / Phone is available without the high speed broadband service for those that just want the phone service. Voice / Phone as a standalone valued at \$19.95 per month and for a minimum period of 12 months. Call rates are 10c for local and national calls untimed. Phone calls to mobiles are 13.5c per 30 seconds with no flag fall. Phone calls to other Yourhub customers are FREE so get your family to join the network. A fixed Install is required for this service as listed.				
Keep phone No:	When you change your Phone/Voice service to Yourhub you can keep your existing local telephone number, Yourhub can port your current number from your previous telephone provider or we can allocate you a new local number, the choice is yours!				
Payment Options:	All Yourhub High Speed Broadband services are pre-paid. Funds can be allocated to your account online as the account either exhausts all allocated data allowance or time allocation. Additionally funds can be allocated to your account at any time prior to reaching limits to avoid interruption to the Yourhub Fixed Wireless Broadband services. Payment methods include Credit Card, PayPal or Cash (Over the Counter).				
Relocating:	You will need to contact Yourhub if you are intending to relocate your service. We strongly advise that you contact our Sales department to discuss any pending changes to your phone service prior to making those changes. Due to technical constraints, not all NBN & Fixed Wireless services are available in all areas. There is no charge if we cannot provision the service however you may be liable to cancellation charges.
